

## Priddy PTA

The PTA of Priddy and St Lawrence's Federation has been engaging with the school community to check what support they require. Unable to do our normal organising events and fundraising due to Covid and restrictions for example Easter Bingo and Green Cow.

We have been promoting our EasyFundraising which is raising money for the PTA. We gave out Halloween goody bags out to all the children and Christmas arranged a virtual Father Christmas visit and paid for Christmas lunch. With the restrictions slowly easing up, we are having an AGM and meeting in May to look at ideas for fundraising and plans of how to positively support the school for the future.
